On July 7, 2026, at approximately 6:50 AM CT, ICE law enforcement attempted to conduct a vehicle stop as part of a targeted enforcement operation to arrest an illegal alien. The driver of the vehicle, Lorenzo Salgado Araujo—an illegal alien from Mexico—attempted to evade arrest. From information we are receiving, he rammed an ICE law enforcement vehicle, refused to follow multiple verbal commands, and weaponized his vehicle in an attempt to run over an ICE law enforcement officer resulting in our officer firing his weapon in self-defense.

The driver was struck, and emergency services were immediately contacted. The driver was transported to the hospital where he passed away from his injuries. DHS-OIG is leading an investigation into the agent-involved shooting. FBI Houston is leading an investigation into the potential assault on a federal law enforcement officer. This is a developing situation, and we will update the public when more information is available.
